From the Director's Desk:

"Alive and Well"

You might be surprised to be getting a letter from us since you have not heard from us in a very long time. But, I want to assure that that Anchor Evangelical Press is indeed, "alive and well!" As a ministry, we have faced many obstacles over the years that make the statement of our condition as "alive and well" a real miracle. God's faithful hand has kept us "alive and well" and still proclaiming His mercy and grace through the printing of His Word.

Do you treasure God's Word?

Do you get excited about reading it and understand what God is saying to you through it?

5 Basic Reasons

Why God's Word is so Important to Christians:

#1 - The Word of God was inspired by God.

The Apostle Paul tells us in II Timothy 3:16 that, "all Scripture is God-breathed..."

#2 - Scripture is the basis of our belief in God.

The Bible gives us God's perspective on how we should live. It offers us pardon for our sins and reveals God's purpose for our lives.

#3 - The Bible is God's love letter to man.

From Genesis to Revelation, it tells of God's great compassion for man and His desire to have fellowship with Him.

#4 - The Bible reveals to us the attributes of God.

#5 - God's Word teaches us how to live holy lives and be a fruitful witnesses for our Lord.

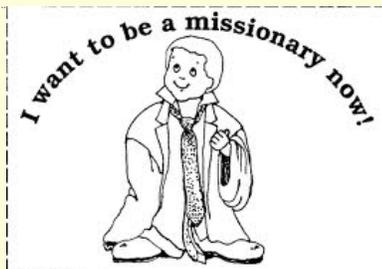

Most of us here in America own a Bible. However, in many places in the world that is not the case. Because of poverty, persecution, or language unavailability Bibles are a scarce commodity! Can you imagine living without being able to read God's Word?

Recently, I saw a video that talked about the importance of printing God's Word. Neville Johnson spoke about a time coming when the Word of God would be in short supply. He stressed the need for printing in abundance and the importance of being a part of any ministry that prints the Word of God. **Never in my lifetime has there been such a need for God's Word!** Will you partner with us as we reach the world with the most valuable and most precious gift - His Word?

Mission Statement

To help fulfill the "Great Commission" of Christ as stated in Matthew 28:19-20 - "Go therefore and make disciples of all nations,...teaching them to observe all things that I have commanded you..." We do this through publishing, printing and distributing Christ-centered literature. Our purpose is to provide Christian literature to reach the lost for Christ, to encourage and edify believers and to equip others to fulfill this "Great Commission."

How You Can Help:

- 1) By praying for our ministry.
- 2) By giving a one time or monthly donation. Our Board has decided that 2014 will be a year of "increase" for our ministry. We have set a goal of a 100% increase in the number of booklets that we will be sending. In addition to this, we have set a goal to more than double our monthly income.
- 3) By volunteering to help us twice a month collate, fold, staple and package tracts for mailing. We have asked God to double our number of volunteers in 2014.

Booklet Missionaries

While the above picture is very old, it has a great message. We consider the booklets that we produce and send as "missionaries." They go where many missionaries dare not go. They are easily and inexpensively transported by the native pastor or missionary. They contain God's Word, which "...will not return to Him empty, but shall accomplish that which He purposes and shall succeed in the thing for which He sends it." (Isaiah 55:11)

As a ministry, we stand on this promise from God. The only way we know about how God uses these "booklet missionaries" is from the thank-you letters that we receive.

From Zambia:

"Kindly allow me to share about Booklet #200 - "Joy Comes in the Mourning."

It happened that the time I was passing through fire of severe trials of faith as you might be aware which resulted in my termination of pastoral work at a local Baptist church. The trials involved eviction from the house and eviction from the pastor's office. This booklet besides the other 2 books I was reading was used of the Lord to minister to my spirit, rekindled my faith in the Lord that God was in control and that the trails were meant for my good and glory to the name of the Lord. As of now, I can also safely say like Elizabeth "I have grown spiritually as never before since passing through the trials". I have heard the Lord speaking to me in a new way through the message of the book as though reading it for the first time. I have used these booklets to help others. But, this time the booklet was for me."

Our First Facebook Request:

Came to us from a Bible School student in Harare, Zimbabwe. He requested our 'Christian booklets.' We are so excited to now be receiving requests through e-mails and our Facebook page!
